AN INFORMAT IVE NEWSLETTER BY KALASHA

## MY TWO CENTS

Dear Readers,

Season's Greetings..!

Hope you all are safe and sound despite the monsoon showers capping the city. Rainy evenings are for Netflix and chill, or just curl up with your favourite book, piping hot chai and steaming hot samosas.

August seems to be a blockbuster month for Kalasha. It has participated in "The Great Indian Jewellery and Handloom Exhibition" in association with Mugdha at JW Marriot, Bangalore, held between Aug15th – Aug 18th. This visual extravaganza has witnessed many jewellery and handloom connoisseurs from across India besides many big names from the art industry.

Kalasha, the house of exotic jewels, partnered with "Dmart Exclusive", and had their exquisite idols showcased at our flagship store in Banjara Hills, Hyderabad. You can find the whole new range of diety idols in different shades of silver to match your taste and interiors.

August is known to be a month of celebrations with all the merry and mood. One such celebration that needs a special mention is Rakshabandhan. An entire collection of custom jewellery for every budget was showcased at our store that made for a perfect gifting option for all the sisters out there.

Special Independence Day offers had all the jewellery lovers thronging the store. We extend our thanks to all the people who showed unbiased love towards Kalasha Jewels this August 15th.

Janmastami is hugely celebrated across India with all the grandeur and poise. To make your festive day even merrier, we've curated an entire Lord Krishna collection. From idols to neckpieces and earrings with Krishna engraved on them, we had them all.

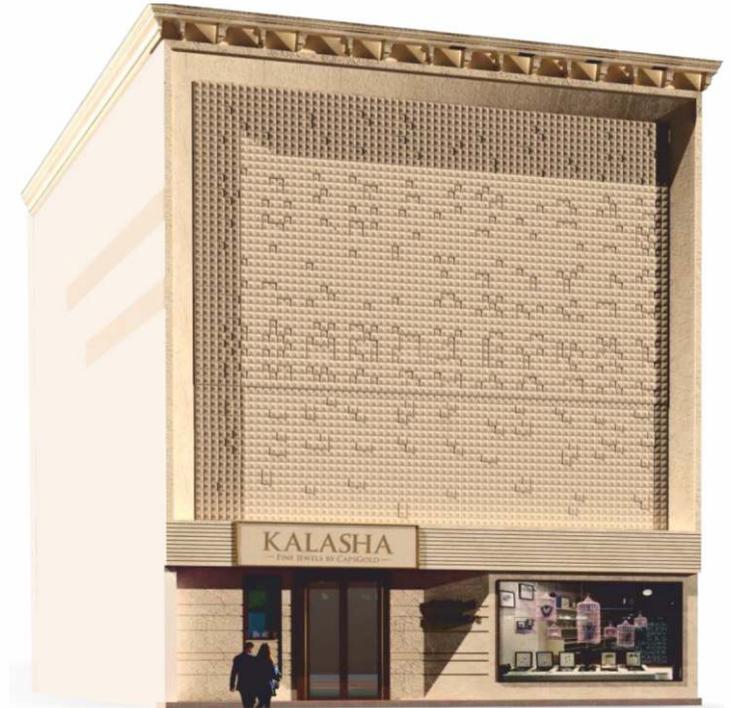

We're excited on the launch of our Sravanam Elegance collection this season. I Hope you have witnessed our extraordinary temple jewellery as we are know for it.

We are also all buckled up to do many interesting exhibitions in the pipeline. I hope you look forward to them and not be disappointed for the efforts we are putting in and the designs we are bringing to you.

I hope you are enjoying reading this newsletter.
